

Expert Support to Manufacturers For

Dust Collectors for:

- Composite Dust
- Plastic Dust
- Wood Dust
- Composites
- Bag House, Cartridge, Cyclone
- CNC Oil Mist Collectors
- Wet Dust Collectors
- Weld Fume Extraction
- Fume Extraction Systems (Soldering, Brazing, Welding)
- Extraction Arms, Snorkels
- Custom Fume, Dust Hoods

- Spray Booths** for paint spray, coatings, adhesives
- Paint Booths, Prep Booth
- Environmental Control
- Booth Enclosures
- Blast Booths
- Blast Cabinets
- Media Reclaim Systems
- Dust Booth for Grinding, Buffing, Process Control
- Conformal Coating Removal Systems
- Microblast Systems

Precision Cleaning

- Parts Washers
- Parts Cleaners
- Electropolishing Systems
- Passivation Systems
- Conveyor Washers
- Drum Washers
- Liquid Filtration**
- Wastewater Filtration
- Oil Filtration
- Coolant Filtration
- Wastewater Evaporators
- Solvent Recycling Systems

Industries Supported

- Metal Fabricating/Machining**
- Medical Device**
- Aerospace**
- MRO**
- Automotive**
- Government**
- Technical Schools**
- Hospitals**

- Optical Parts**
- Electronics / Circuit Boards**
- Woodworking**
- Marine Craft / Boats**
- Granite, Stone, Masonry**
- Construction Products**
- Pavers, Cement Products**

Services—System Design

- 3D Design Modeling of Air Filtration Systems
- NFPA & OSHA Compliant Systems
- System Installation (Turnkey)
- Retrofit / Upgrade to legacy systems
- Air Quality Evaluation
- System Evaluation
